AMANTLE BOGACU

PROFESSIONAL SUMMARY

I am a second-year Computer Systems Engineering major who is seeking to gain an eye-opening experience in the industry through a placement year. This will allow me to apply the skills I have learned through my years of education.

TECHNICAL SKILLS

- C Programming
- JAVA
- MATLAB
- HTML and CSS
- Python

SOFT SKILLS

- Team Collaboration
- Filing and organization
- Communication
- Leadership
- Customer service
- Hospitality
- Bar
- Baking

EDUCATION

2021-Current

Bachelor of Engineering | Computer Systems Engineering
University of Warwick, GB, BW

- **Coursework**- Data structures and algorithms, a MATLAB and Arduino Robot project, Computer Organization Architecture, Java, and C programming.
- Selected as the leader of a group project for Systems Modelling, Simulation, and Computation that involved using software to balance a robot. Responsibilities involved managing workflow progress and assigning tasks for the team to be able to effectively meet the project's requirements.
- Currently the Events Coordinator for the Women in Engineering and Science Society. This has played a substantial part in improving my leadership skills.

2019-2021

A-Levels Maru-a-pula,
Gaborone Chemistry A*, Physics A*,
and, Math A

2017-2018

GCSE St Joseph's College, Gaborone
10 subjects (6A*, 1A, 3B) including
Computer Studies, Math, and English

EXPERIENCE

February 2022 - Current

Computer Science Student Ambassador University of Warwick | UK

Key achievements

- Part of a multicultural student-staff team to provide a positive student experience
- Greatly improved my communication skills as I conversed with a Range of individuals of different ages in either small or large groups.
- Assist in the coordination of events held for prospective students and even the department's first post-Covid in-person welcome session.

March 2022 - Current

Food and Beverage Assistant University of Warwick | UK

Key achievements

- Strengthen my short-term memory (Remembering orders) and long-term memory (how to operate machinery and tills)
- Customer awareness - gradually became better at understanding the needs of customers.
- Ability to effectively serve customers in a pressurized and busy setting during the centre's peak times. The busiest being during the commonwealth games where we were serving world-class athletes.

May 2021 - September 2021

Receptionist Voxy beauty spa | Gaborone

- Worked with a manual and computerized system of storing data for a small business.
- Maintained customer records and the company's paperwork.
- Assisted clients and customers promptly and professionally, offering friendly, knowledgeable support.

November 2021

Events Steward Custard Recruitment | Coventry, UK

- Worked as part of a team at horse viewing events.
- Our key responsibility was providing a professional and welcoming experience to customers.
- Developed my efficiency and ability to work well under pressure.
